

LIBISANAN AZRIKAM JEYASINGAM

IT Project Manager-Intern

+94-769607563 · libisanan.a.j@outlook.com · linkedin.com/in/libisananaj
Colombo 6, Sri Lanka

PROFILE BRIEF

Bachelor of Information and Communication Technology (Hons) undergraduate with strong hands-on experience in full-stack development, IoT systems, and database-driven applications. Proven leader and hackathon winner, recognized for delivering innovative, real-world solutions under pressure. Experienced in Python, Java, PHP, C#, MySQL, and Android development, with exposure to LLM frameworks and agile project management tools. Highly analytical, adaptable, and collaborative, with a strong record of leading teams, managing projects, and contributing to impactful tech initiatives across academic, professional, and volunteer environments.

EDUCATION

Bachelor of Information and Communication Technology (Hons) 2021 – Present
University of Vavuniya

ACADEMIC PROJECTS

Sentry Guard Ongoing
GPS + LoRa-based early warning prototype for unprotected railway level crossings in Sri Lanka, using ESP32 microcontrollers, GPS (NEO-6M), and LoRa SX1278 radio modules to trigger dynamic, ETA-based safety alerts, led the team.

GoVTrack Ongoing
Blockchain-based government fund transparency and payment monitoring platform combining Node.js/Express, PostgreSQL, Solidity smart contracts (Ethereum/Polygon), and a React Native citizen-facing app, led the team.

Novira Ongoing
Android-based child safety system enabling real-time monitoring, risk detection, and instant parental alerts for safer digital behavior.

AgroGuard 2025
IoT-based crop prediction system, focusing on database integration and backend logic for agricultural data analysis.

Campus Hustle 2025
Internship platform built with PHP, MySQL, and BootStrap, with contributions in PHP development and database management.

Gym Management System 2024
Contributed to the development of a Gym Management System using C# and .NET Framework, focusing on service-based database design and implementation.

AWARDS

BEST PERFORMER – ICT EXPO 3.0 | UNIVERSITY OF VAVUNIYA

- AWARDED BEST PERFORMER AT ICT EXPO 3.0, ORGANIZED BY THE FACULTY OF TECHNOLOGICAL STUDIES. RECOGNIZED BY INDUSTRY EVALUATORS FOR TECHNICAL INNOVATION, IMPACTFUL SOLUTION DESIGN, AND EXCEPTIONAL PRESENTATION EXCELLENCE.

1ST PLACE – POVERTYHACK 2025: “CODE FOR CHANGE, HACK FOR HUMANITY”

- LED AN INTER-UNIVERSITY TEAM TO 1ST PLACE AT A 24-HOUR SLAAS & OUSL HACKATHON, MANAGING PROJECT PLANNING, TASK DELEGATION, AND TEAM COLLABORATION TO DELIVER AN INNOVATIVE TECH SOLUTION TACKLING POVERTY.

PUBLICATION

An Explainable AI Framework for Longitudinal, Task-Level Attribution of Employee Workload and Performance Change

- Libisanan, J. A. (Presenting Author), et al. (2026). "Proposed a design-science explainable AI framework that attributes changes in employee workload and performance to interpretable organizational causes – such as project completion, reassignment, underutilization, or disengagement – using longitudinal, task-level timesheet data and Shapley-value-based feature attribution." **Lincoln International Multidisciplinary Conference (LIMC) 2026**. (Abstract)

A Digital Adaptation Framework for Post-Vacation Stress Management: Promoting Student Harmony and Social Cohesion in Universities

- Thisakaran, R., Libisanan, A. J. (Corresponding Author & Presenter), Rijas Mohamed, A. R., Rakshika, U., Rifna, M. M. F., Shakira, S. F., Saraf, F. M., Hasan, S. H. A., Fayaz, M. M. M. (2026). "Developed and empirically validated a Digital Adaptation Framework, using a mixed-methods study of 54 undergraduates, to address post-vacation stress and support students' emotional, academic, and social readjustment through AI-driven emotional tracking and motivational support tools." **2nd International Conference on Harmony and Reconciliation (ICHR-2026), Harmony Centre, University of Vavuniya, Sri Lanka**. (Full paper)

Leadership Beyond Position: Gender-Inclusive Self-Leadership and Organizational Harmony

- Libisanan, A. J. (Presenting/Corresponding Author), Senthooan, V. (2026). "Proposed a conceptual framework for gender-inclusive self-leadership, integrating self-leadership theory, distributed leadership, and feminist perspectives on power to promote organizational harmony without undermining formal authority structures." **3rd International Research Symposium on Gender Equity and Equality (IRSGEE-2026), CGEE, University of Jaffna**. (Abstract)

AI-Based Deepfake Image Detection and Origin Tracing to Combat Gender-Based Digital Abuse

- Branavan, K. H. (Corresponding Author), Libisanan, A. J., Senthooan, V. (2026). "Proposed and evaluated an AI-driven framework combining deep learning classifiers (CNNs and Vision Transformers) with digital forensic analysis to detect deepfake and AI-generated images and trace their origin, addressing gender-based digital abuse." **3rd International Research Symposium on Gender Equity and Equality (IRSGEE-2026), CGEE, University of Jaffna**. (Poster)

NOVIRA: An AI-Driven Parental Monitoring System for Enhancing Child Safety and Emotional Well-Being

- Libisanan, A. J. (Presenting/Corresponding Author), Thisakaran, R. (2026). "Developed an AI and NLP-based system trained on over 20,000 annotated social media comments to detect and moderate toxic content – including cyberbullying, hate speech, and harassment – aimed at enhancing child online safety and emotional well-being." **03rd International Conference on University-Industry Collaborations for Sustainable Development (ICSD-2026), Colombo, Sri Lanka**. (Abstract)

An AI-Based Chatbot Framework for Intercultural Conflict Resolution in Online Communities

- Libisanan, A. J. (Presenting/Corresponding Author), et al. (2026). "Proposed an AI-driven chatbot framework designed to mitigate intercultural conflicts in online communities through intelligent dialogue management and contextual understanding." **ITAM-32 International Conference**. (Full Paper)

Agro Guard: A Smart IoT and Machine Learning-Based Assistant for Climate-Resilient Precision Agriculture

- Libisanan, A. J. (Corresponding Author), Thisakaran, R. (2025). "Developed a smart IoT and machine learning-based assistant to support climate-resilient precision agriculture." **RCAICT 2025**. (Abstract)

CERTIFICATIONS

- Generative AI Overview for Project Managers issued by Project Management Institute
- Resume Writing and Job Interviewing course offered by HP LIFE and HP FOUNDATION
- Python for Beginners online learning programme conducted by the University of Moratuwa – Department of Computer Science & Engineering, Faculty of Engineering.

TECHNICAL SKILLS

- **Languages:** Python, Java, PHP, C#
- **Web Technologies:** HTML, CSS
- **Database:** MySQL
- **LLM Framework :** LangChain
- **Project Management tools :** Asana, Jira

SOFT SKILLS

- Leadership and team coordination
- Effective verbal communication
- Analytical problem-solving
- Time management
- Team collaboration

VOLUNTEERING EXPERIENCE

Student Volunteer

- Research Conference on Advances in Information and Communication Technology 2025, Faculty of Technological Studies, University of Vavuniya.
- International Youth Day 2024 Youth Convention 2024 UGC & USAID SCORE ,University of Vavuniya.
- Asia-Pacific Peace Research Association (APPRA) Conference 2024 Organized by Harmony Centre, University of Vavuniya.

ACTIVITIES & LEADERSHIP

- **AIESEC IN VAVUNIYA (2024-2025)**

Actively involved in student leadership roles, serving as **Financial Manager**, **OGV Manager**, and **Team Lead**. Gained hands-on experience in planning, coordination, budget handling, team management, and stakeholder communication while supporting project execution and achieving organizational goals.

- **GAVEL CLUB UNIVERSITY OF VAVUNIYA (2024-2025)**

Served as **Treasurer** , responsible for budgeting, expense tracking, and maintaining accurate financial records.

- **IEEE STUDENT BRANCH UNIVERSITY OF VAVUNIYA (2023-2025)**

Held roles as **Programme & Logistics Team Member** and **Secretary**, contributing to planning, communication, and organizational support for successful execution.

- **VAVUNIYA TOASTMASTERS CLUB(2024-2025)**

Served as a **Representative**, advocating for the organization, engaging with stakeholders, and promoting initiatives to strengthen community presence.

- **G17 UNIVERSITY AMBASSADORS CONSORTIUM (2024-2025)**

Acted as an **Ambassador**, championing the organization's initiatives, promoting engagement, and building meaningful connections with diverse audiences.

- **TECH MEETUP COMMITTEE FACULTY OF TECHNOLOGICAL STUDIES (2023-2024)**

Served as **Media Team Lead** and **Organizing Lead**, driving content coordination, promotions, and event planning to ensure successful execution.

- **ZERO PLASTIC COMMUNITY (2024-2025)**

Served as **Event Coordinator**, planning, organizing, and executing events while ensuring smooth operations and participant engagement.

REFEREES

Mr.V.Vinoharan

Senior Lecturer (Grade II)/Head of the Department,
Faculty of Technological Studies,
University of Vavuniya.
